

CONFERENCE VENUE

The Sava Centar is the largest conference and business centre in Serbia and one of the largest in Europe.

It was built in 1977 as a modern building complex in one of the best areas of Belgrade, located just five minutes from the city centre and 15 minutes from Belgrade International Airport. Two deluxe category hotels are in the immediate vicinity – the Hyatt Regency and the Hotel Continental Belgrade, which forms part of the Sava Centar, in addition to Buildings A and B.
